Camp P82 is a great place to rent for your youth or church group retreats, weddings, family reunions, and multiple day or week long camps. You may rent it by the day or week, on weekdays or weekends that are available.

We hope you enjoy your stay at Camp P82. You will find the following information helpful.

### **Making a Reservation:**

To make a reservation with Camp P82 a rental application must be completed and returned with a security deposit and certificate of insurance. Upon receiving these items, the Camp will contact the group leader for final confirmation. A confirmation letter will be sent to the group leader following the conversation. In the event that a reservation is cancelled no less than two weeks before the scheduled arrival date, the security deposit will be returned. Cancellations less than two weeks before the scheduled arrival date will result in a forfeiture of the entire security deposit, unless the cancellation is due to severe inclement weather or a personal emergency prevents arrival prior to the start of the rental period (personal emergency is defined to include a death, serious illness or accident involving immediate family). Rental fees may be refunded on a prorated basis in the event of early departure due to personal emergency. Full payment of rental fees shall be made on the day of arrival. The security deposit is not applied to your balance due.

The security deposit may also be used to cover expenses created from damage to property or equipment by individual or group neglect, misuse, abuse, as well as any additional expenses that are created by a member of the group. After the stay is completed, the refundable portion of the security deposit will be returned to the proper party. If it is essential for Camp personnel to clean up the facility or repair any damage beyond ordinary wear and tear, a log of the time spent in such cleanup or repair shall be kept. The security deposit refund will be reduced by an amount equivalent to the applicable hourly wage of those employed for the time necessary to clean the area and/or repair any damage to Camp property and equipment. The security deposit is not to be construed as a limitation of liability.
